

Celebrating 90 Years

Happy Birthday Serge Celebrating 90 Years!

Presented June 10th, 2018

Dear Serge....

I have known you for many years but really got to know you when I joined the JSA Board in 2011. Until then, I had no real idea what JSA was all about.

During the ensuing seven years I have come to fully understand your vision, your wisdom, your making of an idea into a reality. The hundreds of seniors and volunteers that we work with are living more fulfilled lives because of your leadership, your determination and your fundraising.

What you have accomplished in a "mere 90 years" has set a high standard for us that we hope to continue and to grow from strength to strength.

As the President Emeritus of JSA you have our love, our respect and our admiration.

May the years ahead continue to be healthy and fulfilled. Biz 120!!

Love and Best Wishes to a Wonderful Person...

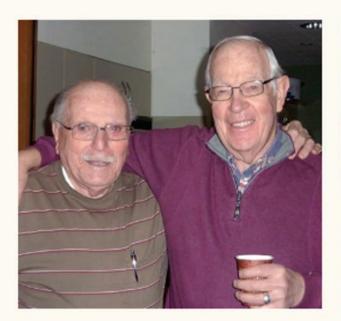

It's an honour, a privilege, to pay tribute, to enthusiastically say 'Mazel-Tov' to you dear Serge, our most admired and beloved 'friend to all' – on your milestone nonagenarian 90th birthday.

Your complete dedication to the Judaic directive of 'Tikkun Olam'
has continued unabetted in word and action throughout the years, and
we thank you very much for your strong, principled, kind disposition
and fortitude which have so positively championed the lives of

We greatly appreciate your key role in the formation of Jewish Seniors Alliance, which you serve today as its revered President-Emeritus.
