

## JSA's Membership Report 2019-2020 for 2020 AGM

This past year we have relied mainly on new membership from the Senior Line magazine, and word of mouth from our Board members. We have gained a few new members from the functions that we put on, but not the numbers that we should. A suggestion for next year would be to give each client in our peer support program an application to join, and for those who cannot afford to join, a Board member will make a donation to pay for the client's membership.

This will not only help JSA but also give the client a feeling of belonging. I would gladly sponsor a Lifetime Membership for one of our Peer Support clients. Another suggestion would be to have a membership drive within our own group, with a prize for each member that signs up 5 new memberships or more. Bin and I are open for any suggestions that would spur an increase in membership. Looking forward to hearing your suggestions.

Let's have a great year!  
Lyle Pullan
